

2023

BOSTON COLLEGE

POPS_{ON}
THE
HEIGHTS

THE BARBARA AND JIM CLEARY SCHOLARSHIP GALA

Join us

Friday, September 29, 2023
Conte Forum, Boston College
Chestnut Hill, Massachusetts

Featuring the world-famous
Boston Pops Orchestra,
conducted by Keith Lockhart

Special guest artist
to be announced

31st Annual

More than **\$130M**
raised for financial aid since 1993

Every gift to Pops supports **life-changing**
student scholarships

Pops on the Heights has made a Boston College
education a reality for more than **3,500**
students over the past **30** years

Pops on the Heights

Benefactor Tables

Patrons sponsoring Benefactor Tables provide scholarship support to hundreds of students each year. Gold, Platinum, and Founders' Circle level benefactors have the opportunity to name their scholarship in honor of their family, allowing for a personal connection between the benefactor and their Pops scholar.

Founders' Circle Tables (\$250,000+) are located in the front rows on the floor, offering the best seats in the house. Founders' Circle benefactors have the greatest impact on our students by funding multiple scholarships for the academic year. Tables include seating for **ten** guests.

Platinum Tables (\$100,000+), our next-best option for floor-level views, provide funding for two student scholarships for the academic year. Tables include seating for **ten** guests.

Gold Tables (\$50,000), located on the floor with great views of the stage, provide funding for one student scholarship. Tables include seating for **ten** guests.

Mezzanine Tables

Maroon Tables (\$35,000) are located on raised platforms on the far side of Conte Forum, facing the stage. Rising above the floor, they promise a unique view of the gala and a more intimate experience, as each accommodates a party of **eight** guests. These are ideal for smaller groups or for BC parents who want to share the experience with another couple and their students.

With each table sponsorship, there is a non-tax-deductible portion of \$300 per seat to offset the costs associated with the event. The remainder is tax-deductible and provides critical financial aid for BC students.

**To reserve your table,
